opment Project (SADP) to help build the butchery.

Because of issues related to the health of pigs, their production fell from 130 pigs to 49 pigs (23 piglets, 20 sows and 6 boars).

From last year, they started processing pork and sold about 3

800 kgs.

He produces high breed and Camborough breed, currently his market includes the community and sole traders in Mohale's Hoek CBD and he also sells pork from his butchery.

*He was able to build a butchery that was officialised in 2020.*
